On the Computational Complexity of Resolving Curve Singularities and Related Problems

Peter STADELMEYER

(November 2000)

RISC-Linz Report Series No. 00-31

Editors: RISC-Linz Faculty
E. S. Blurock, B. Buchberger, T. Jebelean, F. Lichtenberger, P. Paule, H. Rolletschek, J. Schicho, W. Schreiner, F. Winkler.

Supported by: FWF project number P11160-TEC "HySaX" and "SFB – Numerical and Symbolic Scientific Computing" project number F013 04

PhD Thesis
